

Become A Docent!

at Black Diamond Mines Regional Preserve

Docent volunteers work alongside staff to enhance park visitor experience by:

- supporting park events
- educating visitors
- assisting Naturalist staff during school field trips

This would be a good fit if you:

- have good verbal communication skills
- are friendly, patient, and enjoy interacting with a wide range of diverse visitors
- are comfortable working outdoors
- enjoy learning about and sharing both natural and cultural history - particularly CA history, geology, and mining
- can commit to training and 1-2 weekend shifts per month
- Are 18+ years old
