

# Crown Beach Water Quality Status

**Red Light: Beach is Closed. No Swimming, wading or water contact. There is a Water Quality Hazard.**

**Yellow Light: Beach is Open. There is an increased health risk for swimming and wading. Bacteria results do NOT meet State Health Standards.**

**Green Light: Beach is Open. Low health risk for water contact. Bacteria results are within State Health Limits.**

**Be advised,** there is always some risk with beach water contact. Beach water contact may cause illness. Do not swallow water. Shower and towel dry after water contact. Water quality conditions can change at any time.

**Tenga en cuenta,** siempre hay cierto riesgo al entrar en contacto con el agua de la playa. El contacto con el agua de la playa puede provocar enfermedades. No trague el agua. Báñese y séquese con una toalla después de haber estado en contacto con el agua. La calidad del agua puede cambiar en cualquier momento.
