PARKLAND RULES

Welcome to your regional parklands. Help protect park resources and ensure an enjoyable visit for everyone by complying with these rules and any posted regulations. The Park District’s Ordinance 36, which is summarized below, lists specific rules for use and protection of regional parklands.

Visitors will be subject to citation or arrest. For further information, ask a Park Ranger, Public Safety Officer, or telephone (510) 881-1833.

PARK GATES ARE OPEN to the public during hours posted at the park entrance. Unless otherwise posted, CURFEW is between the hours of 10 p.m. and 5 a.m., except for persons possessing a permit to remain on parklands.

MOTOR VEHICLES are restricted to designated parking areas and paved public roads.

BICYCLES may be ridden on designated bicycle trails, and on fire or service roads, unless otherwise posted. Bicycles are not permitted, either ridden, walked, or carried, in areas posted “No Bicycles,” or on non-hiking or narrow equestrian trails. State law requires that all bicyclists under age 16 wear an approved helmet while riding on trails and roadways. Riders should call out or sound a warning when overtaking other trail users.

DOGS may be off-leash at Point Isabel, although owners must have a leash with them (six-foot maximum) and have their dog under voice control and within sight at all times. Animals showing aggressive behavior toward a person or other animal should be leashed immediately. Please prevent dogs from digging or damaging park resources, and please place your animal’s waste in a trash can.

A State fishing license is required to fish from the shore. Fishers may try for striped bass, various surf perch, jacksmelt, sturgeon, leopard shark and flounder.
