Campground Information

There are 75 campsites at Chabot Campground in Anthony Chabot Regional Park. Twelve are trailer/RV sites with full hook-ups. Ten sites are for walk-in use; please park your vehicle in the nearby lot. The walk-in sites give the camper a little extra privacy. The remaining 53 sites are of a more conventional car-camping variety. At these sites you may pitch a tent or sleep in your van or camper. All campsites have a picnic table, charcoal grill, and fire pit. Water is found at various points throughout the campground. Sites 6, 61, and 62 are disabled accessible.

Reservations Campers who wish to stay overnight for more than one night, especially in hook-up campsites, should make a reservation to allow them to remain in the same campsite. Reservations may be made year-round and are recommended for April 1 through September 30. Phone 1-888-EBPARKS (1-888-327-2757) option 2, then 1.

Group Camping Organized groups are encouraged to use the group camps rather than the family campground. Phone 1-888-EBPARKS (1-888-327-2757) option 2, then 1, to reserve group camping areas.

Recreation

Hiking There are many hiking trails in Anthony Chabot Regional Park. Trails within walking distance of the campground are described below. Ask for an Anthony Chabot Regional Park map.

Towhee Trail is the best introductory hike, and it begins right in the campground. It is a one-mile trail that loops through the campground.

Honker Bay Trail leads down to Lake Chabot – for fishing or just for the hike. Allow one and one-half hours for the round trip. Bicycles are permitted.

Recreation (continued)

Huck's Trail is the quickest way to the lake, but also the steepest. The trail begins outside the gate to the walk-in campsites and drops downhill to meet Honker Bay Trail.

Brandon Trail, which is part of the East Bay Skyline National Trail, crosses the campground entrance road at the day-use parking lot. From this trail, there is access to most other trails in Anthony Chabot Regional Park.

NOTE: Poison Oak has been pruned as much as possible. Nonetheless, learn to identify it, and then avoid it.

Fishing Lake Chabot is a reserve water supply, so swimming and private boating are prohibited except for canoes and kayaks launched from the Marina. However, the fishing and hiking are first-rate. The lake is frequently stocked with many kinds of game fish. A California State Fishing License with stamps and an EBRPD Daily Fishing Access Permit are required for all fishers age 16 and above. Daily permits may be purchased at the campground or at the Lake Chabot Marina. Senior Fishing Access Permits, good for one year from the date of purchase, are available for \$120 to disabled persons and those age 62 and older. These are honored at all District lakes and reservoirs.

Campfire Programs are led by naturalists at the campground amphitheater in the summer.

Firewood is sold at the entry kiosk. To reduce the spread of Sudden Oak Death Syndrome, wood brought to the campground must be commercially processed and purchased.

Snack Bar at the Marksmanship Range is open from 10 a.m. to 4 p.m. Wednesdays through Sundays.
