The East Bay Regional Park District is beginning to develop a Master Plan for future improvements at Point Pinole Regional Shoreline. The plan will include improved access and additional recreation and education opportunities.

These meetings are part of an effort to obtain additional grant funding for

future improvements. You are welcome to attend as many meetings as you like, however each meeting will cover the same material. All information will be posted on our website following the meeting at www.ebparks.org/planning/lup.

Notification of State grant project awards information expected by October 2010.
