Subject: Iron Horse Trail Workshop Notice

The East Bay Regional Park District and the City of Pleasanton are holding a workshop to present the Feasibility Study and Master Plan for the 1.6 mile extension of the Iron Horse Trail from Santa Rita Rd. to the Pleasanton/Dublin BART Station. Closing this gap will nearly complete the Iron Horse Trail through Pleasanton.

During the course of this study, noticed public meetings were held on June 30, 2010 and on October 6, 2010 along with a walking tour to collect input and address concerns regarding the design of this regional trail segment.

At this workshop we will be presenting for review and approval the final report to the Pleasanton City Council, the Parks and Recreation Commission, and the Bicycle, Pedestrian and Trails Committee.

The complete study can be found here: <http://www.ebparks.org/planning#iron>

Join us on Thursday, February 10, 2011 at 6:30 at the City Council Chambers 200 Old Bernal Ave, Pleasanton, CA
