**HOW TO USE THIS MAP:** This map is intended to illustrate the potential of Regional and municipal trails as transportation alternatives. Note the locations of schools, post offices, libraries, parks, and Park & Ride sites and their proximities to the trails; use the trails as an alternative to automobile travel when practical. Use this map to plan errands that can be accomplished on bicycle or on foot. For persons interested in bicycle rides into wilderness areas, note the trail connections with Black Diamond Mines Regional Preserve and Contra Loma Regional Park, and with Mt. Diablo State Park. All trail users should protect themselves from the sun and carry water. **DISABLED ACCESSIBILITY:** Most parks have accessible parking, drinking water, and restroom facilities. The Marsh Creek Trail is flat and presents no slope difficulties for persons in wheelchairs. Some parts of the Delta de Anza Trail have small rises or hills that may present difficulties for persons in wheelchairs, particularly portions adjacent to Los Medanos College and Marchetti Park in Pittsburg and portions on either side of Canal Park in Antioch. The trail section over the Willow Pass, from Evora Road in Bay Point to Willow Pass Road in Concord, is long and steep. If you would like this information in an alternative format, call (510) 544-2200, fax (510) 635-3478, TDD (510) 633-0460, or [info@ebparks.org](mailto:info@ebparks.org). **PUBLIC TRANSPORTATION:** BART Express (925-676-2278) serves much of the East County area; Park & Ride locations are noted on the map. Tri Delta Transit (925-754-4040) serves Bay Point, Pittsburg, Antioch, Oakley, and Brentwood. Call the agencies for current route and schedule information.
