

JANUARY - FEBRUARY 2024

COYOTE HILLS REGIONAL PARK

NATURALIST PROGRAMS

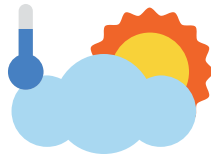

All programs meet at the Visitor Center unless otherwise noted. Programs requiring registration have a  symbol after the program name. All other programs are drop-in. Parent participation is required for all programs. For more information call (510) 544-3220 or email chvisit@ebparks.org.

WHAT'S THE WEATHER?

Sat. Jan. 6 | 11am - 12pm | All ages

Erin Blackwood, Naturalist

How is weather different from climate? What is El Niño? Explore the answers to these questions and come outside to experience and measure weather parameters like wind speed, air temperature and pressure, humidity, and cloud cover.

KING TIDE WALK AT HAYWARD SHORELINE

Sat. Jan. 13 | 12-1:30 pm | All ages

Hayward Regional Shoreline - W. Winton Ave

Erin Blackwood, Naturalist

What are King Tides? How do they affect plants and animals, and what can we learn from them? Find out the answers to these questions and participate in the community science King Tides Project on this easy walk along the San Francisco Bay shore. Be prepared for muddy shoes!

MAKING TRACKS

Sat. Jan 20 | 11am - 12pm | All ages

Erin Blackwood, Naturalist

Look for animal tracks in the marsh, use your detective skills to identify what animals left them, explore life-sized animal track molds, and make your own to take home.

PAINT IN COLOR

Sun. Jan. 21 | 12:30 - 2pm | All ages

Shawn Mulcahy, Naturalist

The flowers are here, and I must paint! Join us this weekend to foster your inner artist by water coloring in the tranquil butterfly garden. Spring is just around the corner! Supplies will be provided, or you may bring your own.

WATER, WATER, EVERYWHERE

Sat. Jan. 27 | 10:30am-noon | All ages

Erin Blackwood, Naturalist

Explore the Coyote Hills watershed, discover where your water comes from, and learn how we are connected and responsible for our watersheds, wherever we live. Make your own paper watershed and use a watershed model to find ways to protect our precious water.

VISITOR CENTER & NECTAR GARDEN

Open Wednesday - Sunday from 10am - 4pm

Nestled between vibrant marshland and rolling bay shore grassland, the Visitor Center tells stories of interdependence between people and place.

The Visitor Center is wheelchair accessible. Accommodations may be made upon request.

PROGRAM KEY

-  Parking fee may apply. \$5 per vehicle
-  Online registration is required at ebparks.com or call 1(888) 327-2757
-  Wheelchair accessible
- HPHP Healthy Parks Healthy People programs offer low-impact exercise

COYOTE HILLS REGIONAL PARK

NATURALIST PROGRAMS

All programs meet at the Visitor Center unless otherwise noted. Programs requiring registration have a symbol after the program name. All other programs are drop-in. Parent participation is required for all programs. For more information call (510) 544-3220 or email chvisit@ebparks.org.

TEATIME TROT AND TREAT

Sun. Jan. 28 | 12:30 - 2pm | All ages

Shawn Mulcahy, Naturalist

Tea making is a tradition across many cultures. Come on a one-mile hike in the hills to identify and gather some of our local edible plants to be made into delicious tea! Bring your own mug if you have one.

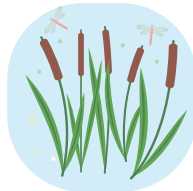

WETLAND WANDER

Sat. Feb. 3 | 10:30am - 12pm | All ages

Erin Blackwood, Naturalist

Celebrate World Wetlands Day and learn about how wetlands contribute to human well-being on this exploration of fresh and saltwater wetland habitats along the paved Bayview Trail.

PAINT IN COLOR

Sun. Feb. 4 | 12:30 - 2pm | All ages

Shawn Mulcahy, Naturalist

The flowers are here, and I must paint! Join us this weekend to foster your inner artist by water coloring in the tranquil butterfly garden. Spring is just around the corner! Supplies will be provided, or you may bring your own.

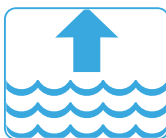

KING TIDE WALK AT HAYWARD SHORELINE

Sat. Feb. 10 | 11am-12:30 pm | All ages

Hayward Regional Shoreline - W. Winton Ave

Erin Blackwood, Naturalist

What are King Tides? How do they affect plants and animals, and what can we learn from them? Find out the answers to these questions and participate in the community science King Tides Project on this easy walk along the San Francisco Bay shore. Be prepared for muddy shoes!

THE EARLY BIRDER SEES THE BIRD, an Intro to Birding

Sun. Feb. 11 | 8 - 9:30am | All ages

Hayward Regional Shoreline - W. Winton Ave

Shawn Mulcahy, Naturalist

Explore the wonders of the avian world at Hayward Regional Shoreline. See and hear our local bird friends foraging and frolicking on the edge of the Bay. All experience levels welcome and we will have binoculars to share!

TEATIME TROT AND TREAT

Sun. Feb. 18 | 12:30 - 2pm | All ages

Shawn Mulcahy, Naturalist

Tea making is a tradition across many cultures. Come on a one-mile hike in the hills to identify and gather some of our local edible plants to be made into delicious tea! Bring your own mug if you have one.

EXPLORING BLACK ENVIRONMENTALIST HISTORY

Sat. Feb. 24, 10 - 11am | Ages 7+

Erin Blackwood, Naturalist

Join us to celebrate Black History Month with a leisurely marsh walk and conversation to gain a deeper appreciation of the invaluable contributions of Black environmentalist leaders.

THE EARLY BIRDER SEES THE BIRD, an Intro to Birding

Sun. Feb. 25 | 8 - 9:30am | All ages

Hayward Regional Shoreline - W. Winton Ave

Shawn Mulcahy, Naturalist

Explore the wonders of the avian world at Hayward Regional Shoreline. See and hear our local bird friends foraging and frolicking on the edge of the Bay. All experience levels welcome and we will have binoculars to share!
