How to Find the Brazilian Room and Temescal Beach House in Prismm

1) Visit <u>https://prismm.com</u> and sign up for a free account if you don't have one already.

2) You'll want to sign up as the Host to use the Guest List features and also just in case you want to invite a Planner later on when you create an event floor plan. You can also invite other vendors to the event floor plan as well.

3) Once you're signed up and logged in, you'll want to click on **+NEW** to create a New Event. A box will pop up where you'll need to enter your event details.

5) Once your event is created, click on **SEATING** and then **+NEW FLOORPLAN** to start a floor plan for your event.

6a) Click on VENUE, choose the layout (Brazilian Room or Patio), name the floor plan, then click FINISH.

6b) For the Temescal Beach House, there is only one option that includes both the patio and indoor spaces.

7) Click on Objects to be able to start dropping tables into your floor plan. Click on the object you want and drag it into the floor plan.
