**Recreation**

**Hiking**
There are many hiking trails in Anthony Chabot Regional Park. Trails within walking distance of the campground are described below. Ask for an Anthony Chabot Regional Park map.

**Towhee Trail** is the best introductory hike, and it begins right in the campground. It is a one-mile trail that loops through the campground.

**Honker Bay Trail** leads down to Lake Chabot – for fishing or just for the hike. Allow one and one-half hours for the round trip. Bicycles are permitted.

**Brandon Trail**, which is part of the East Bay Skyline National Trail, crosses the campground entrance road at the day-use parking lot. From this trail, there is access to most other trails in Anthony Chabot Regional Park.

**NOTE:** Poison Oak has been pruned as much as possible. Nonetheless, learn to identify it, and then avoid it.

**Fishing**
Lake Chabot is a reserve water supply, so swimming and private boating are prohibited except for canoes and kayaks launched from the Marina. However, the fishing and hiking are first-rate. The lake is frequently stocked with many kinds of game fish. A California State Fishing License with stamps and an EBRPD Daily Fishing Access Permit are required for all fishers age 16 and above. Daily EBRPD permits may be purchased at the campground or at the Lake Chabot Marina. Senior Fishing Access Permits, good for one year from the date of purchase, are available for $120 to disabled persons and those age 62 and older. These are honored at all District lakes and reservoirs.

**Firewood**
Wood collection is prohibited. Ground fires are not allowed except in the fire pits provided. Campfires must be attended at all times and must be extinguished before leaving the campsite.

**Fishing Access Permits**
These permits may be purchased at the campsite amphitheater, Saturday evenings from Memorial Day to Labor Day. No firearms, fireworks, or weapons of any kind are allowed in the park.
