Anthony Chabot
CAMPGROUND

Campground Information
Anthony Chabot Family Campground is a year-round getaway only 35 minutes from downtown Oakland and Oakland International Airport. The campground features 12 RV/trailer campsites with full hookups (sewer, water, and 30 amp electrical), 10 hike-in tent campsites with vehicle parking in the nearby lot, and 53 drive-to campsites of a traditional car-camping variety. All sites have a picnic table and fire ring with grill. Restrooms include hot showers. Water is found at various points throughout the campground. Sites 6, 61, and 62 are disabled accessible.

Reservations
Reservations can be made up to 4 weeks in advance and are recommended year-round. Reservations must be made at least 48 hours in advance and are recommended year-round. Bicycles are permitted.

Fishing
Lake Chabot is a reserve water supply, so swimming and private boating are prohibited except for canoes and kayaks launched from the Marina. However, the fishing and hiking are first-rate. The lake is frequently stocked with many kinds of game fish. A California State Fishing License with stamps as well as a Campground Entry Permit are required for all fishers age 16 and above. Daily EBRPD permits may be purchased at the park entrance kiosk. To reduce the spread of Sudden Oak Death Syndrome, wood collection is prohibited. Ground fires are not allowed except in the fire pits provided. Campfires must be attended at all times and must be extinguished before leaving the campground.

Firewood
Firewood is sold at the entry kiosk. To reduce the spread of Sudden Oak Death Syndrome, wood brought to the campground must be commercially processed and purchased.

Camping
Camping is allowed only in designated areas. A maximum of 8 persons may occupy any single campsite. Only two motor vehicles may occupy the same campsite. Two motor vehicles are included in your camping fee. Maximum trailer length is 35 feet. Campers must arrive before the gate closes at 8 p.m.
