Welcome to Cull Canyon

Year opened: 1964  Acres: 360
Highlights: Swimming, picnicking, hiking, biking.
Did you know? Cull Canyon’s swim lagoon was the first to employ an inner, swim lagoon adjacent to the existing reservoir, which provided a year-round, silt-free, swimming area and won the 1966 Governor’s Design Award for Exceptional Distinction for Recreational Development.
Fees: There is a fee for entry into the swimming complex. Volleyball and horseback equipment may be rented.

SWIMMING  This recreation area is a popular swimming spot only a short drive north from I-580 in Castro Valley. The swim complex includes a bathhouse, vending machines, and lifeguard service. Water is pumped into the 1.5-acre lagoon to ensure a consistent water level for swimming. For lifeguard service hours, see www.ebparks.org/activities/swimming.

The swim complex is also available to rent for parties, receptions, weddings, etc. Call 1-888-327-2757, option 2, for information.

PICNICKING  Picnic sites with tables and barbecues are available on a first-come, first-served basis. Two reservable picnic areas, with a capacity of 50 persons each, are located inside the swim complex (beach access fee is charged to enter the swim area). Four reservable picnic areas, ranging in capacity from 75 to 150 persons, are located outside the swim complex. There is a fee and advance reservations must be made.
