ACTIVITIES

• The Donston Family Marsh habitat restoration project was funded by more than 10 agencies to mitigate sea level rise and coastal and inland flooding. The restored marsh was renamed in honor of the Donston family, long-time residents of adjacent Parchester Village, for their environmental legacy to save the Richmond shoreline from industrial development. Please note: horses are not allowed in Donston Family Marsh.

• The San Francisco Bay Trail project added 1.5-miles of new trail, extending the existing 4.5 miles of Bay Trail within the park. The SF Bay Trail is a 100-mile pedestrian and bicycle trail that allows continuous travel around the SF Bay.

• The Atlas Road Bridge provides access to the park via a bridge over the railroad tracks. The new vehicles and ADA-compatible bridge leads to a new parking area, picnic sites and restrooms.

HISTORY

The Huchiun and the Marin shoreline. The current highlight, offers a variety of scenic trails leading through marshlands, eucalyptus woods, and beaches on San Pablo Bay. Along the bay trails are spectacular views of Mt. Tamalpais and the Marin shoreline. The climate at Point Pinole is cool, with 265 days of sunny weather, making it a cool alternative to the hot inland weather.

The park includes several picnic areas, a shuttle service to access the fishing pier, a group campsite, a climbing wall, and a volleyball area. In 2017, the park added a children’s playground, and a volleyball area for children.

The park is divided into three main areas: the main parking area, the fishing pier, and the main trails. The parking area is located on the south side of the park, near the entrance. The main trails are located on the north side of the park, near the fishing pier. The park is open daily from 9:30 am to 11:45 pm. The shuttle service runs from 9:30 am to 11:45 pm.

RULES

• Visitors are responsible for knowing and complying with park rules (Ordinance 38), available at www ebparks org/rules.

• Dogs must be leashed and are not allowed within 100 feet of park entrance parking lots, picnic areas, developed areas such as lawns and play fields and on some trails. They may be off leash (under voice control) in open areas. They are not permitted at all on the pier or in the marshes or pond.

• No motorized vehicles are allowed in the park without a permit.

• Drones are prohibited.

• Collecting plants, seeds, rocks etc. is prohibited.

SHUTTLE SERVICE

Shuttle service is available daily (unless otherwise posted) to carry park visitors to the pier or picnic areas. The shuttle stops at the Atlas Bridge and the Giant Highway parking lots and the fishing pier. Service includes a trailer to carry large groups such as school parties. The shuttle is not permitted on the shuttles. Look for posted signage for pickup locations and shuttle times.
