## Trail Description

The CA State Riding and Hiking Trail connects Martinez to Lime Ridge Open Space in Concord, beginning at the Carquinez Regional Shoreline. The trail passes over the Franklin Hills and connects with the John Muir Historical Site. It passes through the residential areas and parks of Martinez before entering Pleasant Hill where it shares a paved, multi-use trail with the Contra Costa Canal Trail. It follows the Canal Trail past Walnut Creek's Larkey Park and Heather Farm Park then crosses Lime Ridge Open Space, residential areas and Newhall Community Park in Concord. The trail then continues southwest towards Lime Ridge and will eventually connect to Mt. Diablo State Park.
