Dam Crest Trail to Close 7 a.m. to 3 p.m. Weekdays

The Contra Costa Water District (CCWD) will install underground conduit and concrete bases for new cameras at Contra Loma Reservoir to monitor the dam and its spillway. To install the conduit, crews must dig trenches along sections of the trail.

To protect your safety during this necessary work, **the Dam Crest Trail will be closed from 7 a.m. to 3 p.m. on weekdays.** When crews are not working, this popular trail will be reopened. This work begins on Monday, June 10 and is expected to be completed by Friday, June 21.

— Affected trail

Your cooperation as we complete this important project is greatly appreciated. Project updates will be posted as needed.
