

# Learn about the Solar System coming to Shadow Cliffs Regional Recreation Area

## **BENEFITS:**

Solar electricity is a clean form of renewable energy

The solar system will help offset almost all of the East Bay Regional Park District's electricity use

The solar system will provide valuable shade for parked vehicles during the hot summer months

**Thursday, June 18, 2015  
From 6PM to 7PM**

**Shadow Cliffs Regional Recreation Area  
2500 Stanley Blvd  
Pleasanton, CA**

Join the East Bay Regional Park District and City of Pleasanton staff to learn more about the solar system coming to the Shadow Cliffs Regional Recreation Area.

Refreshments will be provided.
