

**East Bay Regional Park District
Kids Healthy Outdoors Challenge (KHOC) 2014-2015
CLASSROOM ACTIVITY LOG**

Teacher Name: _____

School & District: _____

EBRPD defines "completion" of the project as teaching the KHOC Introductory Lesson *plus* three additional lessons of your choosing, taking your class on one EBRPD field trip during the school year, *and* participating in year-end evaluation activities (i.e., the student and teacher surveys).

Please log your classroom activities on this form, and return it to your **Orientation Leader** no later than **March 1, 2015**, before submitting your Transportation Application Form. Your field trip must be completed by **May 15, 2015**.

Introductory Lesson

Were all parts of the lesson conducted in their entirety? (please check one)

Yes No

Did you adapt any part of this lesson? (please check one)

Yes No

If Yes, what part(s) did you adapt and how?

Date(s) Conducted: _____

Approximate number of students participating on this day(s): _____

Lesson 1: _____

Name and Number of the Lesson Chosen

Were all parts of the lesson conducted in their entirety? (please check one)

Yes No

Did you adapt any part of this lesson? (please check one)

Yes No

If Yes, what part(s) did you adapt and how?

What was the most effective part of this lesson?

What was the least effective part of this lesson?

Date(s) Conducted: _____

Approximate number of students participating on this day(s): _____

Lesson 2: _____

Name and Number of the Lesson Chosen

Were all parts of the lesson conducted in their entirety? (please check one)

Yes No

Did you adapt any part of this lesson? (please check one)

Yes No

If Yes, what part(s) did you adapt and how?

What was the most effective part of this lesson?

What was the least effective part of this lesson?

Date(s) Conducted: _____

Approximate number of students participating on this day(s): _____

Lesson 3: _____

Name and Number of the Lesson Chosen

Were all parts of the lesson conducted in their entirety? (please check one)

Yes No

Did you adapt any part of this lesson? (please check one)

Yes No

If Yes, what part(s) did you adapt and how?

What was the most effective part of this lesson?

What was the least effective part of this lesson?

Date(s) Conducted: _____

Approximate number of students participating on this day(s): _____

Any Other Lessons Taught (Optional):

Name and Number of the Lesson

Dates taught

Name and Number of the Lesson

Dates taught

Any other comments about KHOC or its alignment to Common Core Standards (Optional):

2014-15 Classroom Data:

Number of students in your class this year: _____
(an average is OK if you don't have exact data)

Please give us your best estimate of the following data:
