

**EAST BAY REGIONAL PARK DISTRICT**  
**SURVEY TECHNICIAN**  
**Supplemental Statement Instructions**

The purpose of the supplemental statement is to allow you to elaborate on your qualifications in specific job-related areas. It is important that you provide this information in as clear and concise a manner as possible. You are limited to 3 typed (8 ½ x 11) pages, one inch margins, single space, with Arial 12 pt. font, to respond to questions #1 - #8 below. Please read #9 for special instructions. When describing your experience in the following areas, first indicate the job where you gained the experience by referring to #11 of the application form and identify that job by letter (a, b, or c). Use the information on the job announcement, to guide you in making your responses relevant to the District's situation. You may attach a resume, but not as a substitute for completing this supplemental statement. We do not expect applicants to have experience in all the areas.

1. Please briefly describe your experience for the following types of surveying:  
(a) Boundary (b) Construction Staking (c) Control (d) Traverse (e) Topographic (f) Leveling (g) GPS
2. The East Bay Regional Park District is currently using Trimble equipment. Please describe your work experience with each piece of equipment, how long and what type of survey work was done.
  - a) TSC2 data collector used to collect total station and GPS data
  - b) S6 Robotic Total Station
  - c) R8 GPS unit
  - d) Dini level
3. If you are familiar with other equipment, such as Leica, please specify make and model. Please describe your experience with each piece of equipment, how long and what type of survey work was done.
4. Please describe your level of experience (beginner, intermediate, or advanced) using the following Microsoft computer programs: Word, Excel, and Access.
5. Do you know how to download a data collector? Please Just Reply: Yes or No
6. Please briefly explain if you've ever had to identify or recognize poison oak.
7. Please explain if you have had any 4 wheel or off road training and/or driven 4 wheel or off road.
8. At times, the Survey Technician will work in remote sites away from road access. Do you foresee any difficulty for you to help pack in equipment to a remote site? Please Just Reply: Yes or No
9. **Please include one example of your field notes on 8-1/2 x 11 paper, including at least one sketch. The names and places can be covered for confidentiality. (This example is not counted as part of your 3 page limit.)**

Sign each page, staple to this form and your Application, and submit this package as your completed Application packet.

***IMPORTANT! I certify that the information I have provided is true and correct to the best of my knowledge. I understand that misrepresentation of information may cause me to forfeit all rights to employment with East Bay Regional Park District.***
