

POINT ISABEL REGIONAL SHORELINE

Point Isabel Regional Shoreline was acquired in 1975 when the East Bay Regional Park District entered into a 50-year lease agreement with the U.S. Postal Service to lease the land at no charge as a shoreline park. The lease agreement was intended as mitigation for the bulk mail center that the Postal Service was building adjacent to the land at that time.

There are beautiful views of the Golden Gate and Marin County from this 23-acre park at the west end of Central Avenue in Richmond. The park provides rich birdwatching opportunities, particularly in the fall and winter when the year-round “residents” are joined by migrating field and shorebirds. Other attractions include bay fishing, jogging and running trails, bike riding, kite flying and picnicking.

Dogs may be off-leash at Point Isabel, although owners must have a leash with them (six-foot maximum) and have their dog under voice control and within sight at all times. Animals showing aggressive behavior toward a person or other animal should be leashed immediately. Please prevent dogs from digging or damaging park resources, and please place your animal’s waste in a trash can.

A State fishing license is required to fish from the shore. Fishers may try for striped bass, various surf perch, jacksnelt, sturgeon, leopard shark and flounder.
