Wild Plants of Miller / Knox Regional Shoreline

Grouped by Growth Form Alphabetical by Scientific Name

This document contains a comprehensive list of the wild plants reported to be found in Miller / Knox Regional Shoreline.

The plants are grouped according to their growth form for easy accessibility. These four groups are: Ferns & Horsetails, Grasses & Grasslike, Herbaceous, and Woody.

The plants within each group are listed alphabetically by scientific name. Other information on each plant includes the common name, family, whether the plant is native or introduced, and its longevity.

For quick reference, the upper left corner of each page displays both the group name (based on growth form) and the genus of the first scientific name.

The abbreviations used:

✓	Checklist column for marking off the plants you observe
Scientific Name	According to <i>The Jepson Manual: Higher Plants of California, 1993</i>
Common Name	According to <i>Jepson</i> and other references (highly variable)
Family	The scientific plant family name according to <i>Jepson</i>
L	Longevity: Annual (a), Biennial (b), Perennial (p), or a combination
N/I	Native (n) or Introduced (i) according to <i>Jepson</i>

The listing of plants included in this document is by no means complete. The intent is to maintain an ongoing inventory to which additional plants can be added over time. Readers are encouraged to report any corrections or additions to this list by emailing the District Botanist (Wilde Legard, wlegard@ebparks.org). This welcomed assistance will help facilitate improved management of the Park District's natural resources.

Ferns & Horsetails
Adiantum

- √ **Scientific Name**
- Adiantum jordanii
- Equisetum hyemale ssp. affine
- Equisetum telmateia ssp. braunii
- Pellaea andromedifolia
- Pellaea mucronata var. mucronata
- Pentagramma triangularis ssp. triangularis
- Polypodium calirhiza
- Pteridium aquilinum var. pubescens
- Woodwardia fimbriata

Grouped by Growth Form
Alphabetical by Scientific Name

Common Name	Family	L	N/I
Fern, Calif. Maidenhair	Pteridaceae	p	n
Scouring Rush, Common	Equisetaceae	p	n
Horsetail, Giant	Equisetaceae	p	n
Fern, Coffee	Pteridaceae	p	n
Fern, Bird's-foot	Pteridaceae	p	n
Fern, Goldenback	Pteridaceae	p	n
Fern, Polypody	Polypodiaceae	p	n
Fern, Bracken	Dennstaedtiaceae	p	n
Fern, Giant Chain	Blechnaceae	p	n

**Grasses & Grasslike
