Wild Plants of Ohlone Regional Wilderness

Grouped by Growth Form Alphabetical by Scientific Name

This document contains a comprehensive list of the wild plants reported to be found in Ohlone Regional Wilderness.

The plants are grouped according to their growth form for easy accessibility. These four groups are: Ferns & Horsetails, Grasses & Grasslike, Herbaceous, and Woody.

The plants within each group are listed alphabetically by scientific name. Other information on each plant includes the common name, family, whether the plant is native or introduced, and its longevity.

For quick reference, the upper left corner of each page displays both the group name (based on growth form) and the genus of the first scientific name.

The abbreviations used:

✓	Checklist column for marking off the plants you observe
Scientific Name	According to <i>The Jepson Manual: Higher Plants of California, 1993</i>
Common Name	According to <i>Jepson</i> and other references (highly variable)
Family	The scientific plant family name according to <i>Jepson</i>
L	Longevity: Annual (a), Biennial (b), Perennial (p), or a combination
N/I	Native (n) or Introduced (i) according to <i>Jepson</i>

The listing of plants included in this document is by no means complete. The intent is to maintain an ongoing inventory to which additional plants can be added over time. Readers are encouraged to report any corrections or additions to this list by emailing the District Botanist (Wilde Legard, wlegard@ebparks.org). This welcomed assistance will help facilitate improved management of the Park District's natural resources.

Ferns & Horsetails
Adiantum

- √ **Scientific Name**
- Adiantum jordanii
 - Azolla filiculoides
 - Cheilanthes covillei
 - Cheilanthes intertexta
 - Cystopteris fragilis
 - Dryopteris arguta
 - Pellaea andromedifolia
 - Pellaea mucronata var. mucronata
 - Pentagramma triangularis ssp. triangularis
 - Polypodium calirhiza
 - Selaginella bigelovii

Grouped by Growth Form
Alphabetical by Scientific Name

Common Name	Family	L	N/I
Fern, Calif. Maidenhair	Pteridaceae	p	n
Fern, Mosquito	Azollaceae	p	n
Fern, Coville Lip	Pteridaceae	p	n
Fern, Coastal Lip	Pteridaceae	p	n
Fern, Brittle	Dryopteridaceae	p	n
Fern, Coastal Wood	Dryopteridaceae	p	n
Fern, Coffee	Pteridaceae	p	n
Fern, Bird's-foot	Pteridaceae	p	n
Fern, Goldenback	Pteridaceae	p	n
Fern, Polypody	Polypodiaceae	p	n
Spike-moss	Selaginellaceae	p	n

**Grasses & Grasslike
Aira**
