## REGIONAL PARK LAND USE PLAN

### SCOPING MEETING:

**Thursday, June 29, 2017 @ 6:30 PM**

Concord Senior Center, 2727 Parkside Circle  
Concord, CA 94519

Join us for a scoping meeting on the future world-class regional park to be located within the former Concord Naval Weapons Station. At this meeting we will present the preferred land use concept that has been developed through a series of past public workshops and receive public comments regarding the scope of the proposed environmental analysis. The District would like to hear from the community as well as responsible and trustee agencies.
