### GENERAL NOTES

1. All dealings and communications are governed by the terms of the contract documents. The Contractor shall be responsible for all work done and all costs incurred in the execution of the contract. Any changes or modifications to the contract documents shall be in writing and signed by an authorized representative of the Owner.

2. The Contractor shall require adequate insurance coverage and shall indemnify the Owner against any claims or damages arising from the Contractor's work.

3. The Contractor shall provide all necessary permits and approvals for the work to be performed.

4. The Contractor shall provide a written warranty for the work performed.
