MERIT AWARDS - DEVELOPMENT

CONCERNED OFF-ROAD BICYCLISTS ASSOCIATION

Ken Burton Trail Restoration Project

The Ken Burton Trail in the Angeles National Forest was destroyed during the 2009 Station Fire. In 2010 CORBA began restoration work on front country trails in the burn area. On May 1st, 2016, after 98 volunteers put in 1650 hours over seven months, towing tools on trailers behind their bicycles each work day, the trail was opened to the public.

HONORABLE MENTION

SAN DIEGO BAY NATIONAL WILDLIFE REFUGE - CALIFORNIA COASTAL CONSERVANCY

Bayside Birding and Walking Trail

The Bayside Birding and Walking Trail, completed in 2016, extends for 0.4 miles along the south end of San Diego Bay. The trail facilitates the separation of pedestrian uses from the Bayshore Bikeway, protects sensitive resources, and provides safe opportunities for observing wildlife and enjoying views of the Bay.

MERIT AWARDS - ACQUISITION

CALIFORNIA STATE PARKS, SANTA MONICA MOUNTAINS CONSERVANCY, AND SANTA MONICA MOUNTAINS NATIONAL RECREATION AREA/NPS

Backbone Trail Land Acquisition

The Backbone Trail is a 67-mile National Recreation Trail across the Santa Monica Mountains, a mountains-to-the-sea landscape known for spectacular beauty and pricey real estate. "It took a village" to secure funding that California State Parks, Santa Monica Mountains Conservancy, and National Park Service transformed into new public open space and trail corridor connections. The Backbone Trail was officially completed in 2016.

MERIT AWARDS - KIDS AND TRAILS

SONOMA COUNTY TRAILS COUNCIL

Annadel Trail Project

In 2016 the Sonoma County Trails Council launched a new partnership with local high school cross country running teams to perform trail maintenance in Trione-Annadel State Park. The high school students named this partnership the Annadel Trail Project. This collaboration not only protects park resources and improves visitor safety today, it fosters volunteerism in our youth and produces tomorrow's park stewards.

MERIT AWARDS - PLANNING

SAN FRANCISCO BAY TRAIL PROJECT

San Francisco Bay Trail Design Guidelines and Toolkit

Over a period of 30 years, a vision has developed for a continuous green transportation and recreation route that would encircle San Francisco Bay. The concise and well-illustrated Design Guidelines and Toolkit publication tells the story of the Bay Trail and explains the nature and socio-cultural value of the trail, and the variables that should go into its planning and design.

MERIT AWARDS - EVENT

EAST BAY REGIONAL PARK DISTRICT

Ivan Dickson Trail Event

The East Bay Regional Park District (EBRPD) hosted more than 100 volunteers to work and camp in Black Diamond Mines Regional Preserve in Contra Costa County from October 8 - 9, 2016. With support from Recreation Equipment, Inc., EBRPD staff, and Volunteers for Outdoor California, volunteers dedicated over 970 hours improving trails in this highly visited preserve.

HONORABLE MENTION

CITY OF LA CAÑADA FLINTRIDGE

Hike with the Mayor to Celebrate 30 Years of Open Space in Cherry Canyon

On October 22nd, 2016, the Mayor of La Cañada Flintridge led a hike along several trails in Cherry Canyon Open Space Area to commemorate 30 years of open space in the City. The event brought out over 50 community members, who hiked and biked with the Mayor, as well as participated in a "seed bomb throw" to rejuvenate the canyon with native plants species.

HONORABLE MENTION

STEWARDS OF THE SEQUOIA

In 2016 Stewards' "Trail Appreciation Day" volunteer events consisted of 1860 hours performing maintenance on 244 miles of trails on National Forest and BLM lands. This work included clearing 1156 downed trees and installing 266 water bars as well as brushing 56 miles of trails.

LARRY TIERNEY

California State Parks, Monterey District

From his work on trails around Pt. Lobos to the Garrapata Coastal Trail in Big Sur, Larry has been a leader in making the Coastal Trail a reality here in the Monterey Bay region.

COASTAL TRAIL AWARDS 2017 - NONPROFIT ORGANIZATION

PAUL JENKIN
