

Certificate of Achievement for Excellence in Financial Reporting | 2013 Program Results for Fiscal Years Ended in 2012

Governments that participate in the Certificate of Achievement for Excellence in Financial Reporting Program are asked to submit their report within six months of the end of the fiscal year. The GFOA's review process typically requires an additional 4 to 6 months. Therefore, the 2013 program results are for comprehensive annual financial reports for fiscal years that ended during calendar year 2012.
