Congratulations!

East Bay Regional Park District is certified as a Bay Area Green Business! Onsite verification inspections have taken place, and all standards have been achieved.

As a Green Business, you have met best practices across key areas of resource conservation, waste reduction, and pollution prevention. You are also joining a growing statewide movement of businesses that are operating sustainably.

As a result of attaining Green Business standards, you will receive the following benefits for the duration of the inspection cycle:

- Listing in the statewide database of Certified Green Businesses, where you can upload your business logo and description along with links to your social media profiles
- Access to the Green Business logo for use in your print and online marketing
- Inclusion in a quarterly newsletter exclusively for Green Businesses that includes resources, award opportunities, and more
- Invitation to local networking events exclusively for Green Businesses

If you have any questions about sustainable business practices, the Green Business Program, or other related matters, please call me at 510-485-9164 or email carolina@cultivatingcapital.com.

Sincerely,
