Dear Leader-In-Training Candidate,

Spring 2019

Thank you for your interest in our L.I.T. program, where you will learn the art of being a camp counselor, help us run camp, and make new friends! We urge you to apply for more than just one week; you'll have more fun, learn more, make more friends, and get more community service hours. Plus, it looks better on your resume! Staff will provide training and coaching that will help your L.I.T. team succeed at camp and help you explore a future as a parks + recreation professional.

L.I.T. duties include:

- Participating in teambuilding and trainings
- Assisting recreation leaders in arts + crafts
- Helping prep, serve, and clean up after meals
- Leading field games
- Helping supervise swimming
- Helping manage campers
- Helping to set up and clean up camp
- Being a great role model for the campers!

L.I.T. benefits include:

- Fun!
- Making friends in a team setting
- Learning real job skills
- Community service hours
- Position yourself for future camp employment
- Enjoy the great outdoors in our regional parks

At the end of the week you will receive an evaluation, constructive skills for resume writing and job seeking, and community service hours. But maybe the most important thing you'll take home with you will be your new friends and your camp memories.
