

Marsh Creek Regional Trail

Vineyards Parkway to Round Valley Regional Preserve

Please join us to discuss the Feasibility and Conceptual Engineering / Initial Study for the Marsh Creek Trail: Vineyard Parkway to Round Valley Regional Preserve project.

Public Meeting #1

Project objectives, needs, and existing conditions will be presented for public review and comment.

Wednesday April 10, 2019

7:00 PM to 9:00 PM

Brentwood Community Center, Hall B
35 Oak Street | Brentwood, CA 94513

East Bay Regional Park District (EBRPD) is leading a Feasibility and Conceptual Engineering Study for a 3-mile extension of the Marsh Creek Regional Trail from Vineyards Parkway in Brentwood to Round Valley Regional Preserve trailhead on Marsh Creek Road. The Study will incorporate your comments and suggestions from three public meetings. It will identify a recommended preliminary trail alignment and design to provide a safe crossing for trail users at Marsh Creek Road. Once complete, the Study will be available for review online at EBRPD's website, www.ebparcs.org.
