

# Marsh Creek Regional Trail Vineyards Parkway to Round Valley Regional Preserve

Please join us for a discussion about the Feasibility and Conceptual Engineering / Initial Study for the Marsh Creek Trail: Vineyard Parkway to Round Valley Regional Preserve.

## Public Meeting #2

Project objectives, issues and challenges, and alignment options will be presented for public review and comment.

**Wednesday August 14, 2019  
7:00 PM to 9:00 PM**

Brentwood Community Center  
Hall B

35 Oak Street | Brentwood, CA 94513

East Bay Regional Park District (EBRPD) is leading a Feasibility and Conceptual Engineering Study for a 3-mile extension of the Marsh Creek Regional Trail from Vineyards Parkway in Brentwood to Round Valley Regional Preserve trailhead on Marsh Creek Road. The Study will incorporate your comments and suggestions from three public meetings. It will identify a recommended preliminary trail alignment and design to provide a safe crossing for trail users at Marsh Creek Road. Once complete, the Study will be available for review online at EBRPD's website, [www.ebparks.org](http://www.ebparks.org)

*(A Spanish translator is available upon request prior to meeting).*
