Park Features: These lands have been ranching lands since the early 1800s. Today, camping, picnicking, hiking, backpacking, and equestrian trails attract thousands of visitors every year. Park naturalists lead programs to teach about the park’s special features. Cave Rocks provides a unique place to explore. Little Yosemite is a scenic gorge on the creek. Cattle also graze within this 6,859-acre wilderness.

Trail Highlights: This route provides a partially shaded trail that weaves back and forth along creeks as well as grassy hilltops with panoramic views. The Maguire Loop Trail offers views of the San Antonio Reservoir and Mt. Diablo. Restrooms are available at the parking area and at High Valley Camp. Visitors should bring plenty of drinking water. Water is only available at High Valley Camp and the staging area.

Trail Directions: From the Visitor Center, cross the footbridge and turn right. Use caution, since this is a one-lane, two-way road with traffic and blind curves.

Driving Directions: From Fremont, drive north on I-680 and exit at Calaveras Road (near the town of Sunol). Turn right at the exit onto Calaveras Road and proceed about four miles to a left turn onto Geary Road, which leads directly into the park. From the Oakland-Berkeley area, drive east on I-580 to the junction with I-680. Take I-680 south and exit at Calaveras Road/Highway 84 just south of the Sunol exit. At the bottom of the exit turn left onto Calaveras Road and proceed as noted above. From the Walnut Creek-Danville area: Drive south on I-680 and exit at Calaveras

Road/Highway 84 just south of the Sunol exit. Proceed as noted above.
