

# Approved Caterers 2020

Brazilian Room | Temescal Beach House | Fern Cottage | MLK Jr. Shoreline Center

These are the caterers you may choose from for your event at any of our four rental facilities. For catered events, you must contract with one of these caterers to unlock, set up, clean up, and lock the building within your reservation start and end times. There is no access to the facility/grounds for set-up until the caterer arrives. For non-catered events, you may also use one of these caterers to drop off food, but your event will still be considered non-catered which means that you are still fully responsible for set-up, tear down, and clean-up.
