Greetings park supporters,
We wanted to send out just a quick note about the holiday weekend...

With Memorial Day weekend coming up, some of you may be wondering if there are even/odd restrictions on the Monday holiday. Unless a holiday falls on a Saturday or Sunday, there are no access restrictions for bikes or horses – meaning Memorial Day is open to all users on designated trails.

- Saturday, May 27 (**ODD day**): NO horses; bikers and hikers okay.
- Sunday, May 28 (**EVEN day**): NO bikes; horses and hikers okay.
- Monday, May 29 (Memorial Day): horses, bikers, and hikers okay.

Here is a general trail etiquette link when visiting any regional park or trail:

We wish you an enjoyable, and reflective, Memorial Day weekend and thank you for supporting your Regional Parks!
