#### TO RESERVE A DATE

- For events booked more than 180 days in advance, an initial payment of \$500 or \$1000 (depending on ending time of event) is required to reserve a specific date.
  - This initial payment will be credited towards the total fees owed.
- The balance of fees are due 180 days (6 months) before your event.
- For events booked 180 days or less in advance, payment is due in full at the time of booking.
- Events under 30 days are subject to additional approval.

The Brazilian Room offers two time slots per day. Please refer to page 1 of the fee schedule. Should the timeline of an event dictate that it does not fall within one of the standard time slots, the **Facility Buyout option** (or Special Day Rate with up to 2 additional hours) may be selected. This option allows for a flexible start and end time not to exceed 10 hours total. Access time to the facility within the reservation times will be determined between the client and the caterer based on the specifics of the event.

For a non-catered event, Rental Facilities Staff will open and close the building at the start and end time as indicated on your contract, not to exceed 10 hours. The client agrees to arrive at the start time indicated on your contract and to remain on site until the end time indicated on your contract, when Rental Facilities Staff returns to close the building. Set-up, tear down, clean-up, and event execution in its entirety will be the responsibility of the client as noted in the general non-catered event guidelines.
