All programs meet at this Visitor Center unless otherwise noted. For Information Call (510) 544-3220

**DISCOVERY ON DEMAND  **
10:30am-3:30pm
Every Saturday & Sunday
Interpretive Staff
Come by our visitor center to follow your own natural curiosities. Engage in a range of hands-on activities, investigations, and crafts. Watch a live animal feeding and learn more about habitats and how to protect them. All ages welcome. Parent participation required.

**HIKE RED HILL  **
10-11:30am, Saturday, March 5
Natasha Anderson, Naturalist
Join us as we aim to reach the top of Red Hill. Red Hill is one of the tallest peaks at Coyote Hills. This is a strenuous hike on rugged terrain. As we push our comfort zones, learn about some of the park’s features. 8+yrs. Parent participation required.

**SSNAKES, SSTORIES  & SSPIRALS  **
10-11:30am, Saturday, March 12, Course # 43136
Dino Labiste, Naturalist
Meet the snakes that make Coyote Hills their home. Learn about their unique adaptations and how these slithering reptiles have become part of our folklore. Create a snake spiral craft to take home. All ages. Parent participation required. Registration required: 1-888-327-2757 For information, call (510) 544-3220.

**Coyote Hills Visitor Center**
Nestled between vibrant marshland and rolling bay shore grassland, the Visitor Center tells stories of interdependence between people and place.

Open Wednesday-Sunday from 10am-4pm

The Visitor Center is wheelchair accessible. Accommodations may be made for visitors upon request.

Due to COVID-19 restrictions, masks are required, and social distancing between participants must be maintained.

NECTAR GARDEN EXPLORATION

11-12pm, Every Saturday and Sunday
Interpretive Staff
See what’s blooming today! Discover native pollinators and plants using all your senses in our wonderful Nectar Garden. Visit our vivarium to witness the buttefly life cycle, learn about the importance of pollinators, and how to make your own native plant garden through a variety of activities. All ages welcome. Parent participation required.

WONDERS OF THE WETLANDS

10-11:30am, Saturday, March 19, Course #43137
Dino Labiste, Naturalist
Wetlands vibrate with life, from insects to fish, birds, and mammals. Learn about the many functions of the marsh at Coyote Hills. Explore this amazing habitat with dip nets, binoculars, and fun scavenger hunts. 8+yrs. Parent participation is required. Registration required: 1-888-327-2757.

UN-BEE-LIEVABLE POLLINATORS

10-11am, Sunday, March 20 & 27
Maeron Yeshiwas, Naturalist
Join us on a short walk as we explore the importance of native pollinators and plants using all your senses. As you keep an eye out for these animals, find out what you can do to help our pollinators, and then taste the fruits of your labor. 5+yrs. Parent participation required.

BIRDING FOR BEGINNERS

9-10:15am, Saturday, March 26
Natasha Anderson, Naturalist
Join our staff along the shoreline to practice basic birding skills. Using our eyes and ears, we can build our knowledge of local birds in our regional parks. Bring binoculars if you have them! Binoculars provided with advanced notice. 7+yrs. Parent participation required. For information, call (510) 544-3220.
