

Logging Hours for a Volunteer Event

Thank you for participating in the East Bay Regional Park District's Volunteer event! You have provided a valuable service to our parks and our communities alike, and we hope you enjoyed the activity! Here is how to log your hours of service with the District.

Why log Hours? Did you know the district holds volunteer appreciation events? Do you need to record hours for school or community service? This is the place to show us (and anyone else for that matter) what you have been up to. It's also a great way to watch your impact grow! Here's how to do it:

1. Navigate to the EB Parks programs page. <https://www.ebparks.org/> → Activities → Programs and **login** to your account by entering your email and password. You can also access that page from here: https://apply.ebparks.org/custom/501/#/volunteer_home

2. This will open your profile dashboard. From your dashboard you can access the event info for ANY event you have registered for and **select report service**.

3. After pressing report service, you will be prompted to fill out a **short survey** to tell us the details of your event. Fill it out, hit submit, and you are all done.

Thank you for your service, and we hope to see you at future events soon!
