DISCOVERY ON DEMAND  
10:30am-3:30pm, Every Saturday & Sunday  
Interpretive Staff  
Come by our visitor center to follow your own natural curiosities. Engage in a range of hands-on activities, investigations, and crafts. Watch a live animal feeding and learn more about habitats and how to protect them. All ages welcome. Parent participation required.

NECTAR GARDEN EXPLORATION  
11am-12pm, Every Saturday and Sunday  
Interpretive Staff  
See what’s blooming today! Discover native pollinators and plants using all your senses in our wonderful Nectar Garden. Visit our vivarium to witness the butterfly life cycle, learn about the importance of pollinators, and how to make your own native plant garden through a variety of activities. All ages welcome. Parent participation required.

DUMBARTON QUARRY CAMPGROUND ON THE BAY  
CAMPFIRE PROGRAMS  
Dumbarton Quarry Campground on the Bay  
Interpretive Staff  
8:30-9:30pm, Saturdays after Sunset  
Welcome to the newest campground within East Bay Regional Park District in over 30 years! Join us for a fun evening campfire program filled with songs, games, photos, stories, activities, and more for the whole family to share. We will explore a range of nature topics each week to learn more about the surrounding bay and the unique history of the quarry that was once here. 5+yrs. Parent participation is required.  
This is a drop-in program; no registration is required.  
For information, call (510) 544-3220.  
Topics  
Aug 6 – “Campfire Music on the Bay”  
Aug 13 – “Skulls and Skins”  
Aug 20 – “Bats”  
Aug 27 – “Animal Tracks and Signs”
COMPELLING CATTAILS ®
Maeron Yeshiwas, Naturalist
10-11:30am, Sunday, August 7
Journey through our marsh and explore the habitat of cattails. Discover the importance of cattails in wetland ecosystems and the different uses of this plant. Use what you learn to create your own cattail creation. All ages. Parent participation required. This is a drop-in program; no registration is required.

MARSH ADVENTURES ®
Maeron Yeshiwas, Naturalist
10-11:30am, Sunday, August 14
Marshes are teeming with life above and below. Join us on a walk through the marsh as we discover the plants and animals that call this unique place home and then use scientific tools to investigate further. All ages. Parent participation required. This is a drop-in program; no registration is required.

KNAP-IN: STONE TOOL MAKING ®
Interpretive Staff
10am-3pm, Sunday, August 21, 2022
Watch the skill of stone tool making come to life in this flintknapping demonstration. Observe experienced stone tool makers and learn methods of how using chert and obsidian can be transformed into spear points and arrowheads. Interact hands-on with our “before” and “after” objects that have been through the process of flintknapping. All ages are invited to watch this demonstration and learn more about stone tool making from our interpretive staff. Parent participation required. This is a drop-in program; no registration is required.

For information on our school programs, please visit us online through ebparks.org, or e-mail us at chvisit@ebparks.org. Fieldtrip application deadline for fall season is August 1st, 2022. Winter/Spring 2023 season application deadline is December 5, 2022.

Parents/Guardians: Help us spread the word by sharing this information with your child’s teacher.
