Campground Information

Anthony Chabot Family Campground is a year-round getaway only 35 minutes from downtown Oakland and Oakland International Airport. The campground features 12 RV/trailer campsites with full hookups (sewer, water, and 30 amp electrical), 10 hike-in tent campsites with vehicle parking in the nearby lot, and 53 drive-to campsites of a traditional car-camping variety. All sites have a picnic table and fire ring with grill. Restrooms include hot showers. Water is found at various points throughout the campground. Sites 6, 61, and 62 are disabled accessible..

Reservations Reservations can be made up to 4 weeks in advance and are recommended year-round. Reservations must be made at least 48 hours in advance. Reservations can be made by visiting ReserveAmerica.com or by calling 1-888-EBPARKS (1-888-327-2757) option 2.

Group Camping Organized groups of 11 or more campers are encouraged to use the group camps rather than the family campground. Phone 1-888-EBPARKS (1-888-327-2757) option 2, to reserve group camping areas.

Recreation

Hiking There are many hiking trails in Anthony Chabot Regional Park. Trails within walking distance of the campground are described below. Ask for an Anthony Chabot Regional Park map.

Towhee Trail is the best introductory hike, and it begins right in the campground. It is a one-mile trail that loops through the campground.

Honker Bay Trail leads down to Lake Chabot – for fishing or just for the hike. Allow one and one-half hours for the round trip. Bicycles are permitted.

Huck’s Trail is the quickest way to the lake, but also the steepest. The trail begins outside the gate to the hike-in campsites and drops downhill to meet Honker Bay Trail. No bicycles allowed.

Brandon Trail, which is part of the East Bay Skyline National Trail, crosses the campground entrance road at the day-use parking lot. From this trail, there is access to most other trails in Anthony Chabot Regional Park.

NOTE: Poison Oak has been pruned as much as possible. Nonetheless, learn to identify it, and then avoid it.

Fishing Lake Chabot is a reserve water supply, so swimming and private boating are prohibited except for canoes and kayaks launched from the Marina. However, the fishing and hiking are first-rate. The lake is frequently stocked with many kinds of game fish. A California State Fishing License with stamps and an EBRPD Daily Fishing Access Permit are required for all fishers age 16 and above. Daily EBRPD permits may be purchased at the campground or at the Lake Chabot Marina. Senior Fishing Access Permits, good for one year from the date of purchase, are available for \$120 to disabled persons and those age 62 and older. These are honored at all District lakes and reservoirs.

Campfire Programs are led by naturalists at the campground amphitheater, Saturday evenings from Memorial Day to Labor Day.

Firewood is sold at the entry kiosk. To reduce the spread of Sudden Oak Death Syndrome, wood brought to the campground must be commercially processed and purchased.
