NOVEMBER - DECEMBER 2023
COYOTE HILLS
NATURALIST PROGRAMS

All programs meet at the Visitor Center unless otherwise noted. Programs requiring registration have a symbol after the program name. All other programs are drop-in. Parent participation is required for all programs. For more information call (510) 544-3220 or email chvisit@ebparks.org.

TALKING TURKEY  P  A
Sun. Nov. 19 | 10 - 11am | All ages
Martha Arlette Cerda, Naturalist

Have you ever wondered what turkeys are saying when they gobble? Flock to Coyote Hills to listen to turkey calls, learn what they mean, & practice your own! We will also delve into the captivating attributes that make them truly gobble-worthy.

NATURE JOURNALING IN THE MARSH  P  A
Sat. Dec. 16 | 11 - 12pm | Ages 5+
Erin Blackwood, Naturalist

Bring your own favorite journal to sketch, draw & paint plants and animals living in the marsh. Drawing supplies are provided or bring your own!

INTRO TO NATURE JOURNALING  P  A
Sat. Dec. 2 | 11 - 12pm | Ages 5+
Erin Blackwood, Naturalist

We will make a nature journal from recycled materials (or you can bring your own favorite journal) and start sketching, drawing and painting the plants and animals in the Visitor Center. Drawing supplies are provided or bring your own!

COFFEE WITH THE BIRDS  P  A
Sun. Dec. 3 | 8:30 - 10am | All ages
Chris Sulots, Supervising Naturalist

Start your morning with birds & coffee! Join us for a leisurely walk along the marsh to see which birds are hanging out. We will have some binoculars to share. We will provide coffee or hot cocoa!

NATURE JOURNALING IN THE GARDEN  P  A
Sat. Dec. 9 | 11 - 12pm | Ages 5+
Erin Blackwood, Naturalist

Bring your own favorite journal and try sketching, drawing and painting the live plants & and animals in the Nectar Garden. Drawing supplies are provided or bring your own!

SOUNDS IN NATURE  P  A
Sun. Dec. 17 | 11am - 12pm | All ages
Shawn Mulcahy, Naturalist

The natural world is full of sounds all year round - from chirps, screeches, & buzzing, to drumming! Tune in to listen & appreciate some of the most beautiful sounds in nature.

WHOOO'S OUT AT DUSK?  P  A
Sat. Dec. 30 | 4:30 - 5:30pm | All ages
Erin Blackwood, Naturalist

Some animals are diurnal, nocturnal, and some are crepuscular, or more active at dawn and dusk. Let’s take advantage of the early sunsets in Nov. and Dec. to try to find some of these critters!

END OF YEAR HIKE  P
Sun. Dec. 31 | 10 - noon | Ages 7+
Shawn Mulcahy, Naturalist

Catch up with nature and send off 2023 with a moderate hike! Embrace the end of the year as we celebrate the abundance of nature’s gifts from plants, animals, to our bountiful marshes.
