Tule Harvesting at Jordon Pond

Wed. July 17 | 10am-noon | Ages 7+
Erin Blackwood, Naturalist
Garin/Dry Creek Regional Park
Help us harvest tule from the shores of Jordon Pond for cultural education programs. Learn about the natural history of tule and its importance in Ohlone culture since time immemorial and today. Gloves and cutting tools will be provided. Registration required.

Riparian Ramble

Sat. July 20 | 9:30 - 11:30 am | All ages | 🌿
Erin Blackwood, Naturalist
Quarry Staging Area, Coyote Hills Regional Park
Explore the unique habitat where trees and water meet! On a 2-mile, flat walk, we’ll keep our eyes out for birds and mammals that call this habitat home, discover how we are conserving riparian habitats in Coyote Hills Regional Park, and learn how you can get involved.

Animal Myths - CAMPFIRE PROGRAM

Sat, July 20 | 8:30 - 9:30pm | All ages | 🌿
Maeron Yeshiwas, Naturalist
Dumbarton Quarry Campground on the Bay
Explore some of our favorite animals and how they are portrayed in different stories and movies. As we investigate further, we will dispel some common myths about these animals and their importance to healthy ecosystems.

Star Stories Around the World - CAMPFIRE PROGRAM

Sat. July 27 | 8:30-9:30pm | All ages | 🌿ёр
Erin Blackwood, Naturalist
Dumbarton Quarry Campground on the Bay
Since time immemorial, humans around the world have told stories about the stars we see in the sky. Listen to some of these stories and look for constellations while we enjoy s’mores together by the fire.
