

Point Isabel Regional Shoreline

Parkland Rules

Point Isabel Regional Shoreline was acquired in 1975 when the East Bay Regional Park District entered into a 50-year lease agreement with the U.S. Postal Service to lease the land, at no charge, as a shoreline park. The lease agreement was intended as mitigation for the bulk mail center that the Postal Service was building adjacent to the land at that time.

There are beautiful views of the Golden Gate Bridge, Marin County and Brooks Island from this popular 23-acre park located at the west end of Central Avenue in Richmond. There are 20 additional acres at North Point Isabel, which is located across the Hoffman Channel. Also, there are more than 2.5 miles of San Francisco Bay Trail in the vicinity of the park. There are rich birdwatching opportunities, particularly in the fall and winter when the year-round "residents" are joined by migrating field and shorebirds. Other activities include bay fishing, bike riding, kite flying and kite surfing, windsurfing, kayaking, and picnicking.

Well over one million visitors come to the park each year, mostly with their dogs. Point Isabel's special rules allow dogs to be off-leash, but under the voice control of their owner, throughout the park. Owners must have a leash with them (six-foot maximum) and have their dog under voice control and within sight at all times. Animals showing aggressive behavior toward people or other animals should be leashed immediately. Please prevent dogs from digging or damaging park resources, and please place your animal's waste in a trash can. Dogs must be on leash in parking lots and streets.

A State fishing license is required to fish from the shore. Anglers may try for striped bass, various surf perch, jacksmelt, sturgeon, leopard shark, and flounder.

MUDPUPPY'S AND SIT & STAY CAFE

A favorite with park visitors is Mudpuppy's Tub & Scrub, a dog washing and dog-specific retail shop facility. There are full service and do-it-yourself dog baths, plus toys, treats, and supplies. The Sit & Stay Cafe is located next door to Mudpuppy's and features treats for your dog's best friend, including espresso drinks, coffee, pastries, sandwiches, smoothies, soups, cookies, ice cream, and their famous Road House Chili. Call (510) 559-8899 or see www.mudpuppys.com for more information.
