The exhibit preserves an old growth footprint with an observation deck for educational programs on Redwoods and climate change. To visit the viewing platform and interpretive exhibit, hike to the Redwood Bowl area located in Roberts Regional Recreation Area. Interpretive Exhibits. The exhibit preserves an old growth footprint with an observation deck for educational programs on Redwoods and climate change. To visit the viewing platform and interpretive exhibit, hike to the Redwood Bowl area located in Roberts Regional Recreation Area. In addition to the redwoods, the park also contains other evergreens, chaparral, and grasslands. Deer, squirrels, and raccoons are common wildlife found here. Those with a keen eye might spot a rare golden eagle or an Alameda striped racer from the trail. A unique strain of rainbow trout migrates seasonally up Redwood Creek. Besides biking, biking, and nature study, park activities include picnic sites with meadows, and children’s play areas. Equestrian accommodations are found near the east entrances of the park.

Historical Landmark No. 970

Interpretive panels and a historical landmark are located a short distance inside the Redwood Gate park entrance off Redwood Road highlighting a unique strain of native trout that seasonally migrates up Redwood Creek from Upper San Leandro Reservoir. A constructed fish ladder helps them migrate around obstacles.

Ours to Explore, Enjoy, and Protect.

Please enjoy the Regional Parks safely and help protect and preserve the parklands by complying with park rules and regulations.

Safety and Courtesy

• Stay in control of your dog at all times.
• Do not feed or approach wildlife.
• Be prepared for sudden changes in weather conditions.
• Trails can be slippery, rocky, and steep. Proceed carefully at your own risk.
• Keep the parks clean. Pack out what you pack in.
• Inform someone where you are going and when you will be back.
• Store our 367 Dispatch Center number on your mobile phone: Emergency (510) 881-1122; Non-emergency (510) 881-4823

Rules

• Pets must be leashed in parking lots, 200 feet from any trail or park entrance or as posted, in picnic areas, developed areas such as lawns and play fields, on some trails, and where grazing animals are present. Pets must be under voice control at all times. Clean up after your pet. Leash is a
• Bicycles are permitted on designated trails only. E-Bikes on designated paved regional trails only.
