The land that is today Shadow Cliffs Regional Recreation Area in Pleasanton was formerly a gravel quarry and was donated to the East Bay Regional Park District by Kaiser Industries. It was opened as a park in 1971. Its assessed value of \$250,000 was used to obtain a matching grant for development of the park from the U.S. Bureau of Outdoor Recreation. With this start, the Park District has developed a 266-acre park, including an 80-acre lake. There is ample parking (including disabled accessible parking); there are many picnic tables, with facilities for people with disabilities.

SWIMMING The swimming beach at Shadow Cliffs has a bathhouse open seasonally. Lifeguards are on duty only during the summer months. When lifeguards are not on duty, swimming is permitted only in a designated area, and at the swimmer's own risk. **Children must be supervised by a responsible adult.** PLEASE: Pets and glass containers are not allowed on the sand portion of the swim area. Swimming and boating are not allowed in the arroyo areas (see map on reverse).

BOATING Visitors may launch their own sailboats, rowboats, canoes/kayaks, float tubes, inflatables, sailboards, and boats with electric motors. There is a fee. Size limit is 17 feet. Jet skis and other personal watercraft are not permitted. Boats may be rented seasonally, including aluminum/electric, kayaks, paddle boats, and paddle boards; a valid driver license is required. All boats listed above must go through Quagga Mussel inspections prior to launch. For operating hours, rates, and rental information, call (925) 426-0197 or see www.rockymountainrec.com.
